

Top tips for social distancing when fishing

- Fish alone or with people from your household.
- Maintain adequate social distancing from others using the river.
- Fish locally. Avoid travel.
- Do not share tackle outwith the members of your household.
- Book your permit contactless via the Fishing around the Forth hub and support your local fishery.
- Take your own food and drink to reduce potentially coming into contact with others.
- If you feel unwell and display symptoms of Covid-19, stay at home.
- Let us know how you get on by messaging us via our social media channels or using the hashtag #fishingaroundtheforth
- Should anyone decline to show a permit or is suspected of not having a permit, please call the Forth District Salmon Fishery Board superintendent on 07887 835549 or the police on 101.
